TO GIVE YOU A FLAVOUR OF THE BUSINESSES WE'VE SUPPORTED, HERE ARE SOME EXAMPLES:

- **MO'S COOKIE DOUGH** – started from home in her kitchen while raising a young family, Mo makes pre-prepared cookie dough for the freezer to make home baking faster, easier and less messy.
- **TARAGENYX** – Iain has created a new way to coat medical implants which helps the body to regenerate. Since joining Entrepreneurial Spark he has raised \$2million in launch funding.
- **ZAPCODER** – Roger has developed a fast and easy way to create simple mobile apps which he hopes will become the next SnapChat.
- **BEER52** – James launched what is now the UK's biggest craft beer club, for a monthly payment his customers receive a curated selection of craft beers.

To answer some questions:

Q What is Entrepreneurial Spark and who can apply?

A Entrepreneurial Spark is the world's largest free business accelerator for high impact entrepreneurs. We welcome applications from businesses at all stages and from all sectors who want to grow, scale and succeed.

Q How does the programme work?

A Once accepted, you and your team (if applicable) can access the Entrepreneurial Spark premises

in Belfast. Here you will be supported and challenged daily to help you grow your business. You can take part in the Entrepreneurial Spark programme for up to six months. If suitable and still capable of accelerating, there is the opportunity for you and your team to gain further support for an additional 12 months.

Q How do I apply?

A It's simple, just complete our online application at **entrepreneurial-spark.com**
